

Public Access Policy

Policy Title:	Public Access Policy
Effective Date:	January 21, 2014
Purpose:	To assure sufficient and appropriate access to meetings and public information of the NH Vaccine Association, consistent with public policy and well-established governance practices.

I. Policy Statement:

The New Hampshire Vaccine Association (“NHVA”), a non-profit voluntary corporation under New Hampshire RSA 292, has been committed to transparency in the conduct of its activities since its inception. Given the heightened public interest in children’s vaccines and their cost and distribution, however, NHVA desires to formalize the means by which citizens may access the public deliberations and documents of NHVA. Although NHVA is not a public body as defined by the New Hampshire Right-to-Know Law, RSA 91-A (the “RTK Law”), NHVA will adhere to the RTK Law requirements except to the extent that they conflict with sound governance practices established for non-profit corporations. It is the policy of NHVA to be as transparent as possible and to provide the public with access to its deliberations and information used or produced in furtherance of NHVA’s purposes, subject only to the limitations established in the RTK Law and by principles of non-profit corporate governance.

II. Persons Subject to Public Access Policy:

This Public Access Policy (the “Policy”) will guide the actions of the members of the NHVA Board of Directors and the NHVA Executive Director, and their representatives, agents and employees, in conducting the affairs of NHVA. While intended to inform the expectations of the members of the public with respect to access to NHVA meetings and public information, this Policy does not confer any legal rights upon any third party.

III. Procedures:

The following procedures are established to further the purposes of this Policy:

1. Meetings

- a) *Meeting Notices and Preliminary Agendas.* A notice of each meeting of the NHVA Board of Directors or of any Board committees (a “Committee”) will be

posted on the NHVA website, and at the location at which the meeting will be held, at least 24 hours (excluding Sundays and holidays) prior to the date of the meeting. When possible, a preliminary agenda (subject to further revision) and any available meeting materials will be posted on the NHVA website in advance of the meeting.

- b) *Location and Attendance.* The NHVA Board will establish a physical location accessible by the public for each of its meetings and meetings of its Committees. Personal attendance by each Board member is strongly encouraged. If one (or more) Board member(s) is unable to attend in person because of extenuating circumstances, he or she may participate by teleconference, videoconference or similar technology permitting real time interaction with the other members of the Board or Committee.
- c) *Public Attendance and Rights.* Members of the public may attend each meeting of the NHVA Board or its Committees, except for Executive Sessions (discussed below) and consultations with legal counsel. The public may record any meeting by using tape recorders, cameras, videotape equipment, or similar means, although the Board Chair will request of the public that they inform the Board at the commencement of the meeting of their intention to record the meeting or any part thereof. The public is not entitled to participate in, or to interrupt, NHVA meetings, but the Board and its Committees will reserve an opportunity at the end of each meeting for the public to comment. The public comment period is not intended to be an interactive session with the Board or Committee, and the Chair may limit the time for public comments in recognition of the outside commitments of the Board and Committee members who serve NHVA voluntarily. Questions or requests from the public for more information will be directed to the Executive Director for a response in the normal course of NHVA business.
- d) *Meeting Materials.* The Executive Director will make meeting materials available in hard copy at the meetings solely for the convenience of the Board or Committee members. Any documents or other materials not posted in advance of the meetings will be posted (to the extent that they can be scanned) on the NHVA website promptly after the conclusion of the meeting. Meeting materials which cannot be posted may be requested by the public through a document request (as described in Section C below).
- e) *Executive Sessions.* The NHVA Board or its Committees may enter into Executive Session only when NHVA will be better served by non-public deliberations, in accordance with sound governance practices. Such circumstances include, without limitation, discussion of matters proprietary to NHVA or its members or otherwise exempt from disclosure to the public,

or matters which, if discussed publicly, would impair NHVA's ability to conduct an open and productive discussion (e.g. meetings with auditors) or which would benefit a party with interests adverse to NHVA. The Board or a Committee may go into Executive Session only upon a majority roll call vote which identifies the basis for the Executive Session. Unless the Board or Committee determines by a 2/3 vote that to do so would impair the purpose for the Executive Session, the Board or Committee will report generally on the results of its Executive Session, and take any formal vote(s), immediately upon the recommencement of the public session of the meeting.

- f) *Minutes.* Written minutes of each meeting of the NHVA Board or its Committees will be prepared and posted on the NHVA website in draft form within five (5) business days of the meeting. Minutes will reflect the names of Board or Committee members attending the meeting and other persons invited to participate, and a brief description of the subject matter discussed and final decisions. Minutes will be reviewed and approved solely by the Board or Committee at its next meeting. NHVA is under no obligation to record or post comments or materials provided during the public comment session, but it will provide a brief description of the subject matter of any comments. If the Board or Committee decides to vote during Executive Session and to refrain from reporting on the results of the Executive Session during the public session of the meeting as provided in paragraph A(5) above, then separate minutes of the Executive Session will be prepared and will remain sealed until the reason for the Board or Committee's decision no longer exists.

- g) *Prohibition on Conduct of Non-Public Meetings.* No members constituting a majority of the NHVA Board or its Committees may deliberate on any matters over which the Board or Committee has supervision, control, jurisdiction or advisory power by any means (including by telephone or email) other than a public meeting of the Board or Committee held as described above. This prohibition does not preclude the NHVA Board or its Committees from using email or other communications to review and comment on draft documents or materials, provided that comments are directed to the editor of the documents.

2. Postings and Reports

- a) *Website.* NHVA will maintain a publicly-accessible website, www.nhvaccine.org, that is intended to be readily navigable. In addition to other postings at its discretion, NHVA will maintain the following information on its website:

- Meeting notices, preliminary agendas (when available) and minutes;
 - Meeting materials (when available and able to be scanned);
 - Past and current audited financial statements;
 - Copy of its enabling statute, RSA 126-Q;
 - NHVA Articles of Agreement and Bylaws;
 - NHVA Plan of Operation;
 - Form 1023 Application for Recognition of Exemption, and IRS Determination Letter; and
 - This Public Access Policy.
- b) *Audited Financial Statements.* NHVA will engage an independent accounting firm to conduct an audit of its financial statements and operations each year. The audited financial statements, and auditor's report, will be posted and publicly available upon their public release by the auditor.
- c) *Annual Report.* Each year, absent extenuating circumstances, NHVA will prepare a brief narrative report of its activities, which will be posted and publicly available.

3. Requests for Information

- a) *Public Information.* Except as limited below, NHVA will make available to the public any information – whether paper, electronic or other physical form – created, accepted, or obtained by, or on behalf of NHVA or a majority of its Board or Committees, in furtherance of its corporate purposes (individually or collectively “Public Information”). Public Information does not include:
- i. confidential, commercial or financial information, including without limitation such information which is proprietary to NHVA or any of its members;
 - ii. personal notes or materials of NHVA Board or Committee members;
 - iii. preliminary drafts, notes or other documents not in their final form and not disclosed or made available to a majority of the Board or its Committees; or
 - iv. protected health information which has not been de-identified or released in the form of a limited data set as required by applicable state and federal privacy laws. Public Information will be maintained at the offices of the NHVA Executive Director.
- b) *Information Requests and Responses.* All requests for Public Information should be directed to the NHVA Executive Director at the

contact address posted on the NHVA website. NHVA will respond to all requests for Public Information within five (5) business days following its receipt of the request. If requested information is not Public Information, the NHVA response will identify generally such information and state the basis upon which NHVA is not honoring the request. If Public Information reasonably cannot be made available within five (5) business days following NHVA's receipt of the request, NHVA's response will identify a reasonable time within which the Public Information will be made available to the requestor.

c) *Inspection and Copying Charges.* All Public Information will be made available for inspection and copying by the requestor at the offices of the NHVA Executive Director during its normal business hours. If NHVA is requested to copy and/or mail the Public Information, it may charge the requestor a reasonable fee to cover its costs in providing such services. If requested and reasonably practical, NHVA may honor the request for Public Information by emailing the materials to the requestor in PDF or similar format.

4. Complaints – If any member of the public alleges that NHVA is not following this Public Access Policy, then the NHVA Executive Director will consult with the NHVA Board Chair and attempt to resolve the complaint. If the NHVA Executive Director and Board Chair are unable to address the complainant's concerns in a satisfactory manner, then the complaint will be presented to the Board or an appropriate Committee at its next regular meeting. The decision of the Board or Committee will be final.

REVIEW and REVISION: This Policy will be reviewed and updated from time to time to ensure that the Policy is furthering its intended purpose.

Section 91-A:2

91-A:2 Meetings Open to Public. –

I. For the purpose of this chapter, a "meeting" means the convening of a quorum of the membership of a public body, as defined in RSA 91-A:1-a, VI, or the majority of the members of such public body if the rules of that body define "quorum" as more than a majority of its members, whether in person, by means of telephone or electronic communication, or in any other manner such that all participating members are able to communicate with each other contemporaneously, subject to the provisions set forth in RSA 91-A:2, III, for the purpose of discussing or acting upon a matter or matters over which the public body has supervision, control, jurisdiction, or advisory power. A chance, social, or other encounter not convened for the purpose of discussing or acting upon such matters shall not constitute a meeting if no decisions are made regarding such matters. "Meeting" shall also not include:

- (a) Strategy or negotiations with respect to collective bargaining;
- (b) Consultation with legal counsel;
- (c) A caucus consisting of elected members of a public body of the same political party who were elected on a partisan basis at a state general election or elected on a partisan basis by a town or city which has adopted a partisan ballot system pursuant to RSA 669:12 or RSA 44:2; or
- (d) Circulation of draft documents which, when finalized, are intended only to formalize decisions previously made in a meeting; provided, that nothing in this subparagraph shall be construed to alter or affect the application of any other section of RSA 91-A to such documents or related communications.

II. Subject to the provisions of RSA 91-A:3, all meetings, whether held in person, by means of telephone or electronic communication, or in any other manner, shall be open to the public. Except for town meetings, school district meetings, and elections, no vote while in open session may be taken by secret ballot. Any person shall be permitted to use recording devices, including, but not limited to, tape recorders, cameras, and videotape equipment, at such meetings. Minutes of all such meetings, including names of members, persons appearing before the public bodies, and a brief description of the subject matter discussed and final decisions, shall be promptly recorded and open to public inspection not more than 5 business days after the meeting, except as provided in RSA 91-A:6, and shall be treated as permanent records of any public body, or any subordinate body thereof, without exception. Except in an emergency or when there is a meeting of a legislative committee, a notice of the time and place of each such meeting, including a nonpublic session, shall be posted in 2 appropriate places one of which may be the public body's Internet website, if such exists, or shall be printed in a newspaper of general circulation in the city or town at least 24 hours, excluding Sundays and legal holidays, prior to such meetings. An emergency shall mean a situation where immediate undelayed action is deemed to be imperative by the chairman or presiding officer of the public body, who shall post a notice of the time and place of such meeting as soon as practicable, and shall employ whatever further means are reasonably available to inform the public that a meeting is to be held. The minutes of the meeting shall clearly spell out the need for the emergency meeting. When a meeting of a legislative committee is held, publication made pursuant to the rules of the house of representatives or the senate, whichever rules are appropriate, shall be sufficient notice. If the charter of any city or town or guidelines or rules of order of any public body require a broader public access to official meetings and records than herein described, such charter provisions or guidelines or rules of order shall take precedence over the requirements of this chapter. For the purposes of this paragraph, a business day means the hours of 8 a.m. to 5 p.m. on Monday through Friday, excluding national and state holidays.

III. A public body may, but is not required to, allow one or more members of the body to participate in a meeting by electronic or other means of communication for the benefit of the public and the governing body, subject to the provisions of this paragraph.

(a) A member of the public body may participate in a meeting other than by attendance in person at the location of the meeting only when such attendance is not reasonably practical. Any reason that such attendance is not reasonably practical shall be stated in the minutes of the meeting.

(b) Except in an emergency, a quorum of the public body shall be physically present at the location specified in the meeting notice as the location of the meeting. For purposes of this subparagraph, an "emergency" means that immediate action is imperative and the physical presence of a quorum is not reasonably practical within the period of time requiring action. The determination that an emergency exists shall be made by the chairman or presiding officer

of the public body, and the facts upon which that determination is based shall be included in the minutes of the meeting.

(c) Each part of a meeting required to be open to the public shall be audible or otherwise discernable to the public at the location specified in the meeting notice as the location of the meeting. Each member participating electronically or otherwise must be able to simultaneously hear each other and speak to each other during the meeting, and shall be audible or otherwise discernable to the public in attendance at the meeting's location. Any member participating in such fashion shall identify the persons present in the location from which the member is participating. No meeting shall be conducted by electronic mail or any other form of communication that does not permit the public to hear, read, or otherwise discern meeting discussion contemporaneously at the meeting location specified in the meeting notice.

(d) Any meeting held pursuant to the terms of this paragraph shall comply with all of the requirements of this chapter relating to public meetings, and shall not circumvent the spirit and purpose of this chapter as expressed in RSA 91-A:1.

(e) A member participating in a meeting by the means described in this paragraph is deemed to be present at the meeting for purposes of voting. All votes taken during such a meeting shall be by roll call vote.

91-A:2-a Communications Outside Meetings. –

I. Unless exempted from the definition of "meeting" under RSA 91-A:2, I, public bodies shall deliberate on matters over which they have supervision, control, jurisdiction, or advisory power only in meetings held pursuant to and in compliance with the provisions of RSA 91-A:2, II or III.

II. Communications outside a meeting, including, but not limited to, sequential communications among members of a public body, shall not be used to circumvent the spirit and purpose of this chapter as expressed in RSA 91-A:1.

Section 91-A:3

91-A:3 Nonpublic Sessions. –

I. (a) Public bodies shall not meet in nonpublic session, except for one of the purposes set out in paragraph II. No session at which evidence, information, or testimony in any form is received shall be closed to the public, except as provided in paragraph II. No public body may enter nonpublic session, except pursuant to a motion properly made and seconded.

(b) Any motion to enter nonpublic session shall state on its face the specific exemption under paragraph II which is relied upon as foundation for the nonpublic session. The vote on any such motion shall be by roll call, and shall require the affirmative vote of the majority of members present.

(c) All discussions held and decisions made during nonpublic session shall be confined to the matters set out in the motion.

II. Only the following matters shall be considered or acted upon in nonpublic session:

(a) The dismissal, promotion, or compensation of any public employee or the disciplining of such employee, or the investigation of any charges against him or her, unless the employee affected (1) has a right to a meeting and (2) requests that the meeting be open, in which case the request shall be granted.

(b) The hiring of any person as a public employee.

(c) Matters which, if discussed in public, would likely affect adversely the reputation of any person, other than a

member of the public body itself, unless such person requests an open meeting. This exemption shall extend to any application for assistance or tax abatement or waiver of a fee, fine, or other levy, if based on inability to pay or poverty of the applicant.

(d) Consideration of the acquisition, sale, or lease of real or personal property which, if discussed in public, would likely benefit a party or parties whose interests are adverse to those of the general community.

(e) Consideration or negotiation of pending claims or litigation which has been threatened in writing or filed against the public body or any subdivision thereof, or against any member thereof because of his or her membership in such public body, until the claim or litigation has been fully adjudicated or otherwise settled. Any application filed for tax abatement, pursuant to law, with any body or board shall not constitute a threatened or filed litigation against any public body for the purposes of this subparagraph.

(f) Consideration of applications by the adult parole board under RSA 651-A.

(g) Consideration of security-related issues bearing on the immediate safety of security personnel or inmates at the county correctional facilities by county correctional superintendents or their designees.

(h) Consideration of applications by the business finance authority under RSA 162-A:7-10 and 162-A:13, where consideration of an application in public session would cause harm to the applicant or would inhibit full discussion of the application.

(i) Consideration of matters relating to the preparation for and the carrying out of emergency functions, including training to carry out such functions, developed by local or state safety officials that are directly intended to thwart a deliberate act that is intended to result in widespread or severe damage to property or widespread injury or loss of life.

(j) Consideration of confidential, commercial, or financial information that is exempt from public disclosure under RSA 91-A:5, IV in an adjudicative proceeding pursuant to RSA 541 or RSA 541-A.

III. Minutes of meetings in nonpublic session shall be kept and the record of all actions shall be promptly made available for public inspection, except as provided in this section. Minutes and decisions reached in nonpublic session shall be publicly disclosed within 72 hours of the meeting, unless, by recorded vote of 2/3 of the members present, it is determined that divulgence of the information likely would affect adversely the reputation of any person other than a member of the public body itself, or render the proposed action ineffective, or pertain to terrorism, more specifically, to matters relating to the preparation for and the carrying out of all emergency functions, developed by local or state safety officials that are directly intended to thwart a deliberate act that is intended to result in widespread or severe damage to property or widespread injury or loss of life. This shall include training to carry out such functions. In the event of such circumstances, information may be withheld until, in the opinion of a majority of members, the aforesaid circumstances no longer apply.

Section 91-A:4

91-A:4 Minutes and Records Available for Public Inspection. –

I. Every citizen during the regular or business hours of all public bodies or agencies, and on the regular business premises of such public bodies or agencies, has the right to inspect all governmental records in the possession, custody, or control of such public bodies or agencies, including minutes of meetings of the public bodies, and to copy and make memoranda or abstracts of the records or minutes so inspected, except as otherwise prohibited by statute or RSA 91-A:5. In this section, "to copy" means the reproduction of original records by whatever method, including but not limited to photography, photostatic copy, printing, or electronic or tape recording.

I-a. Records of any payment made to an employee of any public body or agency listed in RSA 91-A:1-a, VI(a)-(d), or to the employee's agent or designee, upon the resignation, discharge, or retirement of the employee, paid in addition to regular salary and accrued vacation, sick, or other leave, shall immediately be made available without alteration for public inspection. All records of payments shall be available for public inspection notwithstanding that the matter may have been considered or acted upon in nonpublic session pursuant to RSA 91-A:3.

II. After the completion of a meeting of a public body, every citizen, during the regular or business hours of such public body, and on the regular business premises of such public body, has the right to inspect all notes, materials, tapes, or other sources used for compiling the minutes of such meetings, and to make memoranda or abstracts or to copy such notes, materials, tapes, or sources inspected, except as otherwise prohibited by statute or RSA 91-A:5.

III. Each public body or agency shall keep and maintain all governmental records in its custody at its regular office or place of business in an accessible place and, if there is no such office or place of business, the governmental records pertaining to such public body or agency shall be kept in an office of the political subdivision in which such public body or agency is located or, in the case of a state agency, in an office designated by the secretary of state.

III-a. Governmental records created or maintained in electronic form shall be kept and maintained for the same retention or archival periods as their paper counterparts. Governmental records in electronic form kept and maintained beyond the applicable retention or archival period shall remain accessible and available in accordance with RSA 91-A:4, III. Methods that may be used to keep and maintain governmental records in electronic form may include, but are not limited to, copying to microfilm or paper or to durable electronic media using standard or common file formats.

III-b. A governmental record in electronic form shall no longer be subject to disclosure pursuant to this section after it has been initially and legally deleted. For purposes of this paragraph, a record in electronic form shall be considered to have been deleted only if it is no longer readily accessible to the public body or agency itself. The mere transfer of an electronic record to a readily accessible "deleted items" folder or similar location on a computer shall not constitute deletion of the record.

IV. Each public body or agency shall, upon request for any governmental record reasonably described, make available for inspection and copying any such governmental record within its files when such records are immediately available for such release. If a public body or agency is unable to make a governmental record available for immediate inspection and copying, it shall, within 5 business days of request, make such record available, deny the request in writing with reasons, or furnish written acknowledgment of the receipt of the request and a statement of the time reasonably necessary to determine whether the request shall be granted or denied. If a computer, photocopying machine, or other device maintained for use by a public body or agency is used by the public body or agency to copy the governmental record requested, the person requesting the copy may be charged the actual cost of providing the copy, which cost may be collected by the public body or agency. Nothing in this section shall exempt any person from paying fees otherwise established by law for obtaining copies of governmental records or documents, but if such fee is established for the copy, no additional costs or fees shall be charged.

V. In the same manner as set forth in RSA 91-A:4, IV, any public body or agency which maintains governmental records in electronic format may, in lieu of providing original records, copy governmental records requested to electronic media using standard or common file formats in a manner that does not reveal information which is confidential under this chapter or any other law. If copying to electronic media is not reasonably practicable, or if the person or entity requesting access requests a different method, the public body or agency may provide a printout of governmental records requested, or may use any other means reasonably calculated to comply with the request in light of the purpose of this chapter as expressed in RSA 91-A:1. Access to work papers, personnel data, and other confidential information under RSA 91-A:5, IV shall not be provided.

VI. Every agreement to settle a lawsuit against a governmental unit, threatened lawsuit, or other claim, entered into by any political subdivision or its insurer, shall be kept on file at the municipal clerk's office and made available for public inspection for a period of no less than 10 years from the date of settlement.

VII. Nothing in this chapter shall be construed to require a public body or agency to compile, cross-reference, or assemble information into a form in which it is not already kept or reported by that body or agency.

Section 91-A:5

91-A:5 Exemptions. – The following governmental records are exempted from the provisions of this chapter:

I. Records of grand and petit juries.

I-a. The master jury list as defined in RSA 500-A:1, IV.

II. Records of parole and pardon boards.

III. Personal school records of pupils.

IV. Records pertaining to internal personnel practices; confidential, commercial, or financial information; test questions, scoring keys, and other examination data used to administer a licensing examination, examination for employment, or academic examinations; and personnel, medical, welfare, library user, videotape sale or rental, and other files whose disclosure would constitute invasion of privacy. Without otherwise compromising the

confidentiality of the files, nothing in this paragraph shall prohibit a public body or agency from releasing information relative to health or safety from investigative files on a limited basis to persons whose health or safety may be affected.

V. Teacher certification records in the department of education, provided that the department shall make available teacher certification status information.

VI. Records pertaining to matters relating to the preparation for and the carrying out of all emergency functions, including training to carry out such functions, developed by local or state safety officials that are directly intended to thwart a deliberate act that is intended to result in widespread or severe damage to property or widespread injury or loss of life.

VII. Unique pupil identification information collected in accordance with RSA 193-E:5.

VIII. Any notes or other materials made for personal use that do not have an official purpose, including but not limited to, notes and materials made prior to, during, or after a governmental proceeding.

IX. Preliminary drafts, notes, and memoranda and other documents not in their final form and not disclosed, circulated, or available to a quorum or a majority of the members of a public body.
