REPORT OF INDEPENDENT AUDITORS

To the Board of Directors of New Hampshire Vaccine Association

We have audited the accompanying statements of financial position of the New Hampshire Vaccine Association, a nonprofit organization, as of June 30, 2005 and 2004, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the New Hampshire Vaccine Association, as of June 30, 2005 and 2004, and the changes in its net assets and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

NEW HAMPSHIRE VACCINE ASSOCIATION
NOTES TO THE FINANCIAL STATEMENTS

A | SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the New Hampshire Vaccine Association (the Association) is presented to assist in understanding the financial statements. These accounting policies conform to United States generally accepted accounting principles.

Purpose

The New Hampshire Vaccine Association is a nonprofit corporation established pursuant to Chapter 126-Q of the New Hampshire Revised Statutes Annotated. The Association was formed to assess insurers for a portion of the cost of vaccines provided for children in New Hampshire. The Association accomplishes its mission by assessing licensed insurers currently writing or maintaining health insurance in New Hampshire for a portion of the total non-federal program cost of providing vaccines for children in the State of New Hampshire as specified by RSA 126-Q:4.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Basis of Accounting

The financial statements of the Association have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities.

Cash and Cash Equivalents

For purposes of the Statements of Cash Flows, the Association considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents. As of June 30, 2005 and 2004, cash and cash equivalents were \$304,815 and \$220,788, respectively.

Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Income Tax Status

The Association was organized as a nonprofit corporation under RSA 292. On January 20, 2004, the Internal Revenue Service ruled that the Association was a nonprofit 501(c)(3) organization, furthermore that it was not a private foundation within the meaning of Internal Revenue Code section 509(a). Accordingly, the Association has not made any provision for income taxes.

(Continued on next page)

NEW HAMPSHIRE VACCINE ASSOCIATION
NOTES TO THE FINANCIAL STATEMENTS

B | CONCENTRATION OF CREDIT RISK ARISING FROM CASH DEPOSITS

The Association maintains its cash balance at two financial institutions. The balance is insured by the Federal Deposit Insurance Corporation up to \$100,000. At June 30, 2005, the Association's uninsured cash balance is \$277,394.

C | RECEIVABLES

Assessments receivable consists of receivables for assessment revenue recognized but not yet received from licensed insurers in New Hampshire. All amounts are expected to be collected. Accordingly, no allowance for uncollectible amounts has been recorded. The Association does not accrue interest on assessments receivable.

D | INVESTMENTS

The Association has adopted a cash management policy of investing in United States Treasury debt obligations with maturity dates that coincide with the Association's remittances to the State of New Hampshire. In accordance with SFAS No. 124, all investments in debt securities are presented in the financial statements at fair market value. Investments at June 30, 2005 consist of the following:

Description	Maturity Date	Amortized Cost	Fair Market Value
<i>Short-Term Investments</i>			
50,000 US Treasury Strips	02/15/2006	\$ 49,018	\$ 48,962
<i>Long-Term Investments</i>			
50,000 US Treasury Strips	02/15/2007	\$ 46,750	\$ 47,188

The Association has both the intent and ability to hold the obligations until maturity. This will eliminate any unrealized gains or losses on these investments due to short-term fluctuations in trading prices which react to changes in the interest rate.

The following schedule summarizes the investment return in the statement of activities for the years ended June 30, 2005 and 2004:

	2005	2004
Investment Income	\$ 26,798	\$ 8,854
Amortization of Bond Discount	1,033	-
Unrealized Gains (Losses)	(160)	-
Total Investment Income	27,671	8,854
Investment Fees	(1,000)	-
Investment Return, Net Fees	<u>\$ 26,671</u>	<u>\$ 8,854</u>

(Continued on next page)

NEW HAMPSHIRE VACCINE ASSOCIATION
NOTES TO THE FINANCIAL STATEMENTS

E | CONCENTRATION OF REVENUE RISK

The Association derives 99% of its revenue from assessments of licensed insurers in the State of New Hampshire.

F | DESIGNATION OF UNRESTRICTED NET ASSETS

It is the policy of the Board of Directors of the Association to designate appropriate sums of unrestricted net assets to assure adequate cash flow for operations. As of June 30, 2005 and 2004, the Board designated \$125,000 and \$80,000, respectively for this purpose.

G | RELATED ENTITIES

State of New Hampshire

The Association collects assessments for the State of New Hampshire. The organizations are financially interrelated as they meet the following criteria:

1. The State of New Hampshire has the ability to influence the Association's operating and financial decisions.
2. The State of New Hampshire has an ongoing economic interest in the net assets of the Association.

The Association transfers monies to the State of New Hampshire to fund a specified portion of the cost of providing vaccines for children in the State of New Hampshire. The association transferred \$2,724,428 and \$2,190,056 to the State of New Hampshire in 2005 and 2004, respectively.

H | RECLASSIFICATIONS

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.
